

Insolvency Bulletin -Fiscal Code *****

INSOLVENCY RECORDS

YES

Istoric Cifra de Afaceri si Profi

The Insolvency Bulletin shows if there are records regarding the insolvency procedure launch of any company in Romania

Whether there are no records available, that means that for the respective company, an insolvency procedure has not been launched, and that the company is not under insolvency

Whether there are insolvency records available, it means that for the respective company the insolvency procedure has been started, and in this case the report presents the steps made so far and the respective details available
